Child Safety Seat Inspections

www.tinleypark.org

Tinley Park Police certified child passenger safety seat technicians will verify that child safety seats are properly installed in their vehicles for all Tinley Park residents. Inspections are done by appointment only by calling 708-444-5326. Parents/grandparents/caregivers are reminded that child safety seats must be installed in their vehicle prior to the inspection. Technicians will verify that the seat is properly installed and will instruct the parent/grandparent/caregiver on the proper installation.

This is a Tinley Park Police Department sponsored event and is not sanctioned or sponsored by Community Consolidated School District #146, Kirby School District #140, or School District #161, or any schools/groups associated with these Districts.
