Technology Use Guidelines Form 2017-2018

The District *filters* access to materials that may be defamatory, inaccurate, offensive, or otherwise inappropriate material. Ultimately, parents/guardians are responsible for setting and conveying the standards that their child should follow, and the District respects each family's right to decide whether or not to authorize Internet access.

It is important that you and your child read, discuss, and agree to the "Technology Use Guidelines" found in the handbook. The use of inappropriate material or language, or violation of copyright laws, may result in the loss of privilege to use this resource. Remember that you are legally responsible for your child's actions. All students must sign and have a parent/guardian read, agree to, and sign the following form before being granted unsupervised access.

All use of the Internet shall be consistent with the District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. **The failure of any user to follow the terms of the "Acceptable Use of Electronic Networks" will result in the loss of privileges, disciplinary action, and/or appropriate legal action.** The signatures in this document are legally binding and indicate the parties who signed have read the terms and conditions carefully and understand their significance.

I have read this Authorization form. I understand that access is designed for educational purposes and that the District has taken precautions to eliminate controversial and inappropriate materials. I will hold harmless the District, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the "Acceptable Use of Electronic Networks" with my child. I hereby request that my child be allowed access to the District's electronic network, including the Internet.

I understand and will abide by the above Authorization for Electronic Network Access. I understand that the District and/or its agents may access and monitor my use of the Internet, and downloaded material, without prior notice to me. I further understand that should I commit any violation, my access privileges may be revoked, and school disciplinary action and/or legal action may be taken. In consideration for using the District's electronic network connection, and having access to public networks, I hereby release the District and its Board members, employees, and agents from any claims and damages arising from my use of, or inability to use the District's electronic network, including the Internet.
